In 2004 the Lauriston Year 12 results were simply outstanding

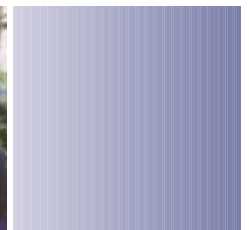

On behalf of the Lauriston community I congratulate the Year 12 students of 2004 on their outstanding results and for their valuable contribution to the life of the School. As leaders of the student body many girls achieved their personal goals while developing skills and interests across a wide range of activities.

These results reflect the dedication of the staff and the commitment of the students who have continued the proud tradition of academic excellence at Lauriston. Lauriston is a School for Life where lifelong learning, respect for others, academic rigour, intellectual curiosity and engagement in life are valued. Our students are equipped to deal with the next stage in their lives with confidence and enthusiasm, and I wish them every success.
