Accommodation

Lauriston is a day school and does not provide boarding. The School can help arrange Homestay through AHN (Australian Homestay Network) – and at the time of writing, the approximate weekly cost ranges from \$A335 – \$A400 per week.

Lauriston will assist families to locate suitable Homestay. Our Homestay and Accommodation guidelines can be located on our website www.lauriston.vic.edu.au.

Lauriston Girls' School has strict accommodation requirements. All students are required to live in accommodation approved by the School. This also applies to students over 18 years of age.

The School requires that students:

- live in a Lauriston-approved Homestay. The accommodation must be approved by the School and registered with Australian Homestay Network (AHN)
- register online with AHN at least 1-2 months prior to your arrival in Australia
- have a suitable student support person that the School has approved
- provide the School with accurate information about their home address, homestay address and telephone numbers
- inform the School if there are any problems with their living arrangements.

If for any reason the student is moving to new accommodation the School must receive notification from the parents that they are aware and approve of the new accommodation arrangements two weeks prior to the move.

Student Welfare

All students are required to have a student support person, to ensure their wellbeing. Students under 18 years of age are required to do so by their visa conditions. Students over 18 attending the School are also required to have a support person. Lauriston appoints professional carers through International Student Alliance at no cost to parents if on a student visa.

Living Expenses

Students will need a minimum of \$A100 per week to cover extra expenses such as transport, stationery and entertainment costs. There are many school social functions which students would be expected to attend which will require a payment of between \$A10 to \$A100.

Health Insurance

To obtain a student visa it is compulsory for full fee paying overseas students to have health insurance with Medibank Private. The Australian government requires health insurance to be paid in advance for the length of the student's visa. Students may pay the health insurance membership fees to the School on enrolment and the School will then transfer these fees to Medibank Private. Medibank Private will issue cover notes until membership cards are available.

Insurance

The School carries insurance in respect of students' accidents. Loss of equipment or personal belongings will not be covered by the School's insurance. The School does not carry insurance in respect of the non-payment of fees resulting from the death or disablement of a parent or guardian.

Refund Policy

Refund provisions apply when a student does not start a course on the agreed date or withdraws before the commencement of the course.

Before the student commences:

- Lauriston will refund all payments, other than the Application Fee, if a student does not successfully gain a visa to study at the School. The Application Fee is currently \$A300
- Where fees for an overseas student have been paid in advance and the enrolment is subsequently cancelled by the student, her parents or guardian, more than one term prior to the due commencement date, all fees paid will be refunded except for the initial Application Fee

For withdrawal after the commencement of a student please see *Withdrawal or Absence of Students – Notice*.

Note: This agreement does not remove the right to take further action under Australia's consumer protection laws or to pursue other legal remedies. The Schools' grievance procedure does not circumscribe the student's right to pursue other legal remedies.

Satisfactory Progress and Attendance

A condition of entry and continuation at Lauriston is for each overseas student to make satisfactory academic progress and to attend School regularly. Student attendance is constantly monitored with any absences discussed with students, parents and/ or guardians.

Use of Personal Information

Information provided to the School will be treated in accordance with the School's Privacy Policy – a copy of which is available on the School website www.lauriston.vic.edu.au. Information provided may also be provided to the relevant Commonwealth and State Government agencies.

Withdrawal or absence of students

Notice

One full term's notice in writing to the Principal must be given to withdraw a student from the School, or one full term's fees (i.e. one quarter of the Annual Tuition Fee) will be charged.

To discontinue extra-curricular activities, four (4) weeks' notice in writing wholly within a term is required or four (4) weeks' fees are payable.

Extended absence from School

If a student is to be absent from School for an extended period of time, the Principal should be notified in writing. Full fees will be payable. Where the student will be absent for a year or a substantial period of time (for example due to relocation or for health reasons), the parents/guardians should make an application in writing to the Principal for a 10% holding fee to be charged in lieu of full tuition fees. This fee is non-refundable in the event of withdrawal or cancellation of a place.

Year 12 Students

When a student is in Year 12, the final account will be rendered in March of that year and will be due for payment 30 days after the invoice date.

The School Council Business Terms and Conditions and Schedule of Fees and Charges require that a student may not commence a new school term while any fees due and payable remain outstanding. Furthermore, where Year 12 students have outstanding fees as at the due date for the final account rendered in March, their enrolment will be encumbered resulting in the following restrictions:

- loss of access to teaching support during the end of year VCE/IB exam preparation period including participation and marking of exams and assessments
- loss of access to Lauriston Girls' School computer systems, including internet, intranet and Schoolbox
