DIFFERENCE

Each generation of students benefits from those that had the foresight to contribute and make a difference.

A STRONG FOUNDATION

The Lauriston Foundation was established over 30 years ago to effectively support the vision, values and continued advancement of the School, ensuring Lauriston's position today as a leading educator of girls.

The Foundation's role is to encourage and recognise the contributions of donors within the broader Lauriston community, including current and past parents, staff, and alumnae. All funds are carefully distributed in accordance with the rules and deeds of the trust under the Foundation's sound governance.

The Lauriston Foundation is governed by the Foundation Board which, in accordance with its constitution, strategically develops philanthropic programs with the School Council and ensures all efforts are focused on students' needs and wellbeing.

The Foundation plays an invaluable part in life at Lauriston; it is vital in delivering the new and extended academic programs, facilities and resources that enable the School's long-term goals to come to fruition.

BUILDING THEIR FUTURE

The Lauriston Foundation offers an exciting opportunity for you to make a significant contribution to the School's progressive learning environment and the continual development of girls' education.

KEY GIVING PROGRAMS

The Foundation oversees several programs dedicated to allowing Lauriston girls to flourish in all facets of their education so that they may become effective citizens of the world.

Capital campaigns

Through major philanthropic gifts made to significant campaigns, Lauriston is able to provide world-class resources for staff and students. It is our aim to deliver the best educational environment, with regular renewal and redevelopment of infrastructure necessary to facilitate contemporary learning.

Annual appeals

We call upon our community on a yearly basis to support the School in furthering its targeted aims and educational vision, putting an emphasis on cutting-edge facilities and programs.

Bequests

Leaving a bequest in your will is a meaningful way to make a lasting impact on current and future generations. Bequestors become members of The Elizabeth Kirkhope Circle, a community crucial to the longevity and ongoing success of the School.

Scholarships

The Lauriston Foundation offers a series of scholarships to ensure that talented students from a diverse range of backgrounds are provided with the life-changing opportunity of a Lauriston education.

INVESTING IN THE FUTURE

The Lauriston Foundation focuses its giving programs on four key areas to ensure the School remains a leading provider of girls' education. The Foundation provides sound governance of these funds to maximise the impact of all gifts.

Building fund

Inspirational buildings and dynamic learning spaces are an important part of Lauriston, attracting the very best staff, enhancing the scholastic experience, and creating a positive environment for all. A gift to the building fund will help provide exceptional infrastructure, while aiding the development of innovative programs and providing world-class educational opportunities.

Library fund

Lauriston prides itself on providing centres of learning, discovery, and curiosity. Gifts to the library fund contribute to the purchase of important educational resources such as e-books, specialist databases and online encyclopaedias that expand our students' horizons.

Education fund

The education fund is an integral aspect of Lauriston's scholastic program, providing supplementation and support for critical School initiatives. The corpus of the fund is built up over time, principally through bequests, allowing the ready distribution of income towards key strategies and proposals as required.

Scholarship fund

A key objective of our scholarship program is the continued support of young girls so that they may have the opportunity to attend Lauriston in their senior years and complete their studies at the School.

A good education is a powerful gift, its impact best expressed by two senior school students who were awarded Lauriston scholarships in 2016.

"When Miss Just gave me the International Baccalaureate booklet at the scholarship interview, I knew then that's what I wanted to do."

STUDENT, YEAR 10

"Lauriston will support me, empower me and encourage me to go where I want to in life."

STUDENT, YEAR 11
