Lauriston Sport

Lauriston Girls' School believes sport and recreation builds strong, healthy and flourishing students. It is through physical activity that we foster in our students the competence, confidence and capability to pursue an interest in and a passion for sport and recreational activities throughout their lives.

Our aim is to:

- engage all of our students in regular sport and recreation programs that enhance their lifelong learning capabilities and involvement with physical activity;
- give students the opportunity to develop sport specific skills including physical skills and strategic knowledge;
- develop values of respect, positive self-identity, resilience and good sportsmanship;
- develop strong pathways and provide support to allow each student to achieve their individual sporting goals

Traditionally, Lauriston Girls' School has had exceptional participation rates in Sport and Recreational activities. We are passionate about providing a range of opportunities to engage students in physical activity and for them to experience the physical, social and emotional benefits of being active. Lauriston students in Year 7, Year 8 and Year 10 are required to participate weekly in at least one sport or recreational physical activity each term.

SPORT OVERVIEW

Welcome to Lauriston Sport. The following information has been collated to give all families background information and details outlining sport at Lauriston Girls' School. We provide information about our sports program on the Lauriston Schoolbox 'Sport@Lauriston' page (<https://schoolbox.lauriston.vic.edu.au/homepage/7042>), 'Clipboard' as well as in the emailed Lauriston News notices to ensure all families are up to date with any opportunity the girls have to participate in recreational and sporting activities.

The Lauriston Sports program is designed to give students the opportunity to experience a wide variety of activities, ranging from social to competitive and from team to individual.

GIRLS SPORT VICTORIA (GSV)

Lauriston Girls' School is a member of the Girls Sport Victoria (GSV) Sporting organisation which is one of the largest independent school sporting associations in Victoria. Within the 24 member schools nearly 15,000 girls from Years 7 to 12 have the opportunity to be involved in more than 20 sports - in weekly sport competitions, carnivals, tournaments and skills development programs.

GSV WEEKLY SPORT

GSV Weekly Sport is divided into 3 year group sections:

- Senior; Year 11 and Year 12
- Intermediate; Year 10
- Junior; Year 7 and Year 8.

All Year 10 Intermediate interschool matches are played on Wednesday afternoon between 4.00pm and 6.00pm, with training occurring on Wednesday mornings from 6.45am - 8.00am.

All Year 11 and 12 Senior interschool matches are played on Monday afternoon between 4.00pm and 6.00pm, with training occurring on Monday mornings from 6.45am - 8.00am.

Matches are played at both home and away venues. Fixtures can be found on the Lauriston Sport Schoolbox pages and through 'Clipboard'. For matches that are played offsite girls may depart class early and will travel by bus to the venue and back to Lauriston at the completion of the match.

There is no cost involved in these weekly sports

GSV SPORT CARNIVALS

Students are given the opportunity to trial for any of the carnival events over the year. Training and carnival event information will be posted on the specific Lauriston Sports Schoolbox page, 'Clipboard' and in the weekly emailed news update.

There is no cost involved in these carnival sports.

Event	Term 1	Term 2	Term 3	Term 4
GSV Carnivals	Swimming Diving Triathlon	Cross-Country	Track & Field	

Please note: Students wishing to participate in a carnival sport are also able to participate in a weekly sport each term.

The Girls Sport Victoria (GSV) Carnival Sport structure sees the 24 girls' schools being split into 3 Preliminary Carnivals for Swimming & Diving, Cross Country and Track & Field. Following Preliminary Carnivals, then schools are moved into Championship Division Carnivals (Division 1, Division 2 and Division 3) based on the results in the Preliminary Carnivals.

At the conclusion of the Championship Division Carnivals, girls are selected, based on their results, to take part in the Finals Evening event.

Swimming & Diving

The Lauriston team competes in GSV competitions during Term 1 in both Swimming and Diving. These competitions involve two Training Meets followed by a Preliminary Meet to determine Championship Divisions. An opportunity arises for girls to compete in the Finals Evening for the top 10 competitors in each event across the three Championship Division Meets.

CLIPBOARD

Clipboard is an extra-curricular management program that allows us to schedule girls training and match information for each term based on their selections. The program allows parents to access an extra-curricular sport calendar to see their daughter’s commitments for that week. Information such as bus departure and arrival times, training and match schedules, venues and other information can be found. Clipboard will allow Lauriston to manage the students attendance at each session and notify parents via email if their daughter has been absent at a required session without explanation.

The link to your daughter’s sport calendar can be found on your School Parent Portal page. Below is an example of the Clipboard Weekly calendar.

Frequently Asked Questions

How do I sign up for a sport?

Each term students will be sent an email notifying them of the sports being offered for that term and how to sign up. They will be encouraged to sign up for the specific sport in which they are interested.

Students will be notified of tryout days and times by email as well as via Schoolbox. For students to be considered and allocated into teams, they must attend tryout sessions to allow teams to be selected. **All students are advised to think carefully before placing their name on the list as they are making a commitment to the school and their fellow peers, and withdrawing without notification can have a big impact on other students.**

What is the purpose of tryouts?

Tryouts are held either at the beginning or end of each term for the following term. Coaches need the opportunity to ensure all girls are allocated into teams at their appropriate skill and ability level. Teams need to train at least twice a week before the commencement of competition, which typically commences a week into each term.

What happens if I do not make a team?

Lauriston Girls' School will go to every effort to ensure that all girls are able to participate in sport competition. That is why it is important for girls to sign up to ensure we have the correct number of teams entered into the competition. The only sport on which we have restrictions on team numbers is tennis due to the number of courts available.

Can I try out for more than one sport?

You can only tryout for one weekly sport because all training and competition occurs for all Year 10-12 sport on the same day and time.

What if I am unable to attend sport or training?

During the season if you are unable to attend training or a game you must notify your coach or the Director of Sport by email sport@lauriston.vic.edu.au or a note from your parents so as to ensure all teams are covered by your non-attendance. We keep a record of all non-attendance notes/emails as part of our record keeping.

Can I compete in a weekly sport and a major carnival?

Yes, all our girls are involved in both weekly sport as well as the major GSV sport carnivals. Lauriston takes great pride in our girls' ability to participate in both and are rewarded with wonderful results.

A school for life.

What happens if training for weekly sport is on at the same time as the training for major carnivals in track & field/cross country and swimming/diving?

Because we have such enthusiastic and sporty students who involve themselves in all aspects of sport at Lauriston, we always offer two training days for the major carnival sports so that girls can choose to attend at least one major carnival training day that does not clash with weekly sport training.

What do I need to wear for sport and training?

Students take great pride in representing Lauriston and it is important that Lauriston uniform is worn correctly to all training sessions and to competition. Please refer to the Sports Uniform Policy for uniform requirements for all sport activities.

Where can I find training/match details?
