

School Uniform at Lauriston

At Lauriston Girls' School, our uniform is more than the clothes our students wear.

From the moment they first put the uniform on, each student becomes a part of Lauriston and belongs to a community rich with history and the possibilities of a great future to come.

The respect our students feel for themselves and each other is clear from the neat and orderly way that each girl presents herself. Every student who wears our uniform does so with pride; from top to toe, they become ambassadors for the school and go forth into the world knowing they carry with them the support of all students and staff.

By wearing the same uniform, our students are able to push beyond barriers that might otherwise separate them and work together to get the best experience from their time in school. Freed from the distractions of what to wear, the uniform is an important part in distinguishing learning time from the rest of a student's life and allows them to put their education before all else.

Uniform Guidelines

- Students must be in full, correct uniform each school day.
 Blazers must be worn with the Winter uniform in Terms 2 and 3. The school blazer is optional in Terms 1 and 4, but must be available for all School Assemblies

Sport Uniform

Sport Uniform Policy

The Lauriston Sport Uniform Policy outlines the School expectations with regard to the wearing of the Lauriston Sport uniform. We believe that wearing the Lauriston Sport uniform corrrectly and neatly encourages a sense of belonging and pride in representing the School in Sport.

The School expects proper standards of presentation of its students and sport is no exception. The items listed are the official sports uniform for the School and must be worn by students when participating in School Physical Education lessons, sport training and competition. Consequences will be given to girls not properly presented in correct sport uniform.

All Lauriston badged items are available to be purchased from the School Uniform Shop. Some sports require specific training, competition or safety equipment. These may need to be purchased in addition to the standard uniform.
